# SLEEPING ROOMS

Villa Shiria has seven bedrooms, of which the master bedroom has an private bathroom. There are three other bathrooms which are shared by the guests. All bedrooms have a unique style, a spacious closet and air conditioning. This can both cool and heat, making Villa Shiria also suitable for staying in the winter.

The other two bedrooms can be found on the top floor, here you will find a second relaxation room with a fireplace and a spacious terrace.

# THE BATHROOMS

# LIVING ROOM

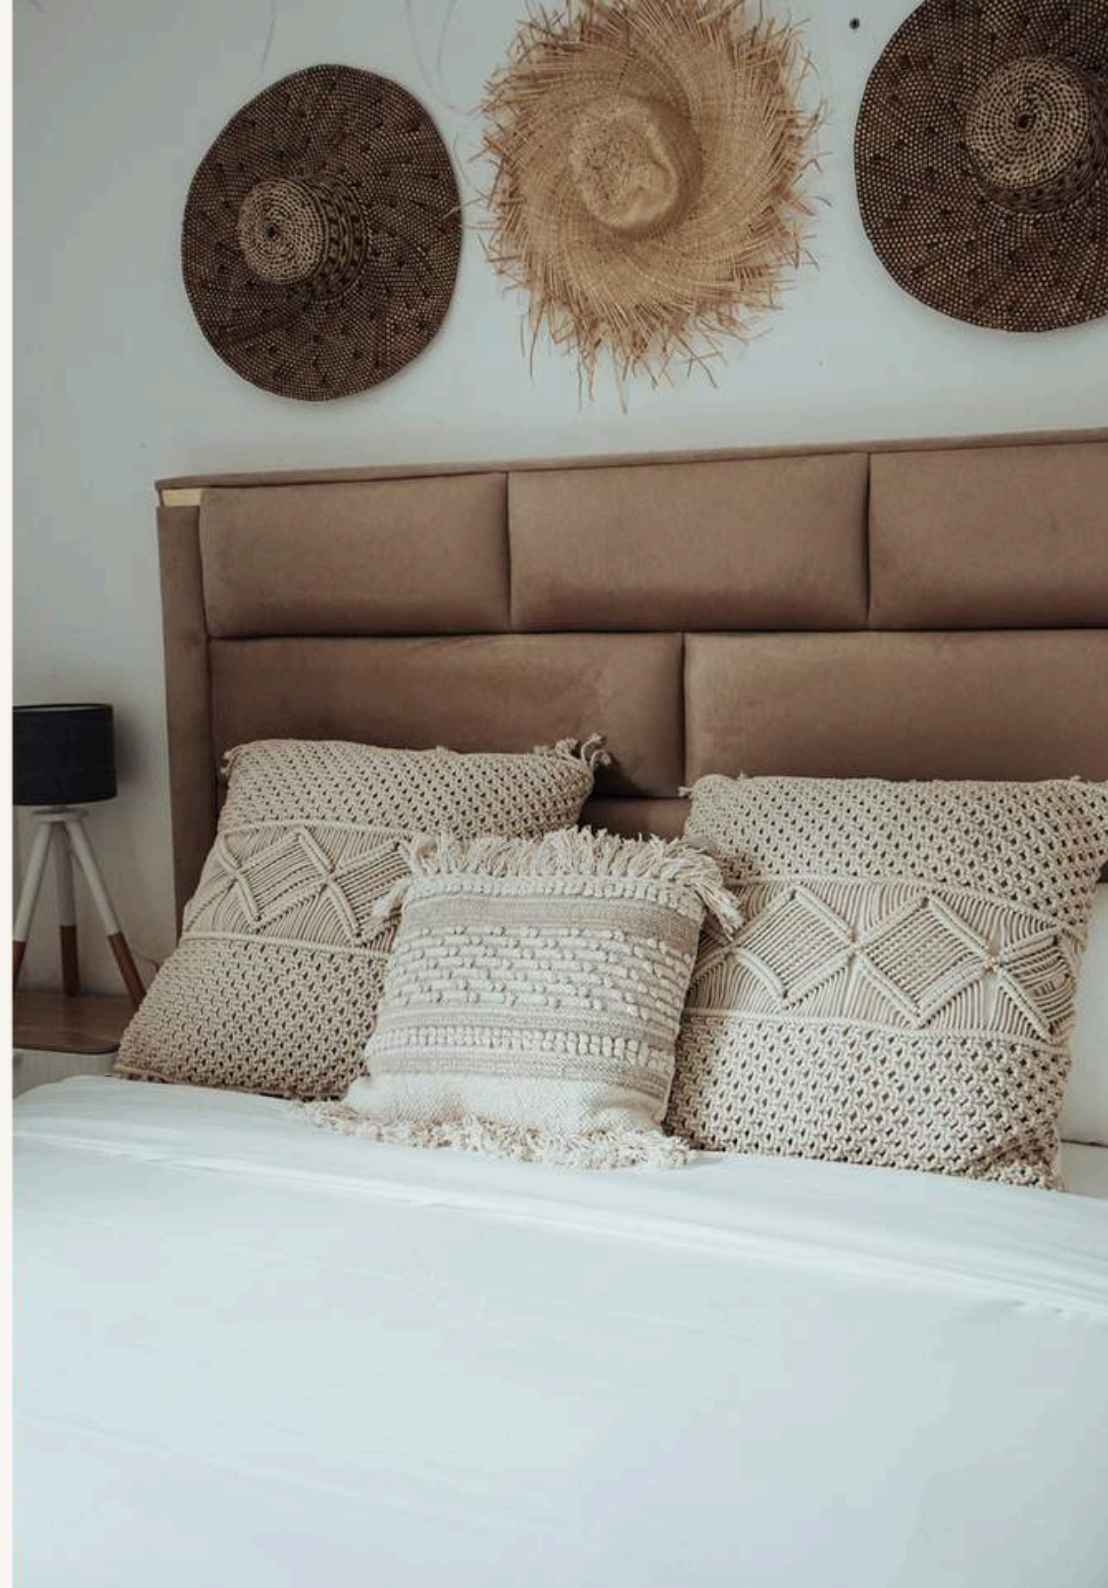

On the ground floor, you will find a spacious living room with a lovely sofa, cosy corners and a fireplace. There is also a spacious dining table for all to dine at. An extra table can be found in the fully equipped kitchen. WiFi connection throughout the house.

# THE KITCHEN

Next to the kitchen is a special room with a stylish billiards table, this space invites you to unwind and indulge in friendly competition and unforgettable moments with loved ones.

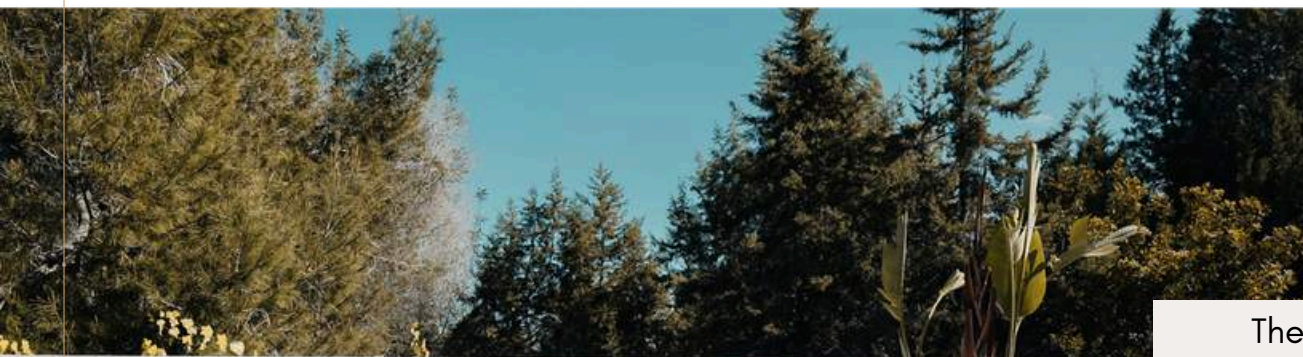

THE GARDEN

Villa Shiria breathes the good life and is furnished outside with just as much taste and design as inside. The location has several terraces, so you can enjoy the Mediterranean sun at almost any time of the day.

The large terrace has a robust wooden dining table, lounge sofas and a barbecue. Even if it is the chill area with a special Bali bed that provides ultimate relaxation. In addition to the fine terraces, there is also a beautiful large swimming pool; perfect for cooling off while sunbathing or an evening stargazing
